The Great Loop

18 Nights

Lusaka, South Luangwa, Malawi, Lake Malawi, Liwonde National Park, Mozambique, Gorongosa National Park (Moz), Save Valley Conservancy (Zim)

Get ready for a journey that feels less like a tour and more like a full-blown African expedition — a wild, untamed adventure through some of Southern Africa's most iconic landscapes.

Your journey kicks off in Lusaka, where the pulse of Zambia sets the tone for what lies ahead. From here, you venture deep into the legendary South Luangwa — a place often called the birthplace of the walking safari. Expect close encounters with elephants, leopards draped over tree branches, and the raw thrill of the African bush at its finest.

Crossing into Malawi, the pace softens as you arrive at the sparkling shores of Lake Malawi. Here, golden beaches meet crystal-clear waters teeming with vibrant cichlid fish — the perfect setting to unwind, snorkel, and soak in the beauty of Africa's "Lake of Stars."

But the adventure doesn't stop there. In Liwonde National Park, you'll glide along the Shire River among hippos, crocodiles, and herds of elephant gathering at the water's edge — a safari experience with a completely different rhythm.

Then it's on to the wild frontiers of Mozambique, where the reborn wilderness of Gorongosa National Park awaits. Once devastated, now thriving, Gorongosa is one of Africa's greatest conservation success stories — a place where lions roam again and biodiversity flourishes in dramatic landscapes.

Cross into Zimbabwe and step into one of Africa's best-kept secrets: Save Valley Conservancy. Vast, exclusive, and teeming with wildlife, this is Big Five territory without the crowds — a fitting grand finale to an unforgettable journey.

This is more than a tour — it's a crossing of borders, ecosystems, and experiences. From remote bush camps to lakeside sunsets, from heart-pounding wildlife encounters to tranquil moments under African skies… this is the adventure you've been waiting for.
