15 Nights

Zambia & Zimbabwe

Livingstone, Lusaka, Lotri Bay, Lake Kariba, Lower Zambezi, Mana Pools

Prepare for an unforgettable journey through some of Africa's most spectacular wilderness areas. This expedition is made for the true adventurer—combining breathtaking landscapes, rich culture, legendary waterways, and incredible wildlife encounters.

Our journey begins in Livingstone, Zambia, where we experience the culture and traditions of the region before travelling to Lusaka to stock up on supplies for the adventure ahead.

From Lusaka, we head towards the Lower Zambezi, with the opportunity to experience game drives in Lower Zambezi National Park, searching for elephants, lions, leopards, buffalo, wild dogs, and abundant birdlife.

We then follow the mighty Zambezi River, spending three days exploring its wildlife-rich banks before continuing to Lake Kariba. Discover the legendary story of Nyaminyami, encounter tiger fish, and enjoy spectacular sunsets across the vast waters.

Our final destination is Mana Pools, a UNESCO World Heritage Site and one of Africa's last truly wild frontiers. Explore the iconic albida forests and witness elephants reaching for pods, while lions, leopards, and endangered wild dogs roam the wilderness.
