Southwestern Wonders

Victoria Falls, Hwange, Matobo, Gonarezhou

Our journey begins at the spectacular Victoria Falls, one of Africa's most iconic natural wonders. Experience the power and beauty of the Zambezi River as it plunges into the gorge below, creating an unforgettable start to our adventure.

From Victoria Falls, we head into the wild heart of Zimbabwe at Hwange National Park, renowned for its vast landscapes and incredible wildlife.

Expect unforgettable encounters with elephants, lions, buffalo, giraffes and many other species as we explore this remarkable wilderness.

Our journey continues to Matobo National Park, a landscape unlike any other, famous for its dramatic granite rock formations, ancient hills and rich cultural heritage.

The peaceful surroundings and unique scenery offer a fascinating contrast to the wildlife-rich plains of Hwange.

Finally, we venture into the remote wilderness of Gonarezhou National Park, meaning "Place of Elephants". With rugged landscapes, baobab-dotted plains and wild, untouched scenery, Gonarezhou offers a true off-the-beaten-track safari experience and the perfect ending to our Zimbabwe adventure.

From the mighty Victoria Falls to vast wilderness, ancient granite landscapes and the remote beauty of Gonarezhou, this is a journey through some of Zimbabwe's most spectacular and unforgettable destinations.
